

CHERRY CITY CLOGGERS BEGINNER CLASS REGISTRATION INFORMATION

You are receiving this because you either indicated at a Cherry City Clogger demo or to a clogger that you wanted information about our beginner class. You will learn lots, have fun, dance, and develop new friendships along the way. For most of us, that fellowship is as important as the dance. Now, some welcome aboard information:

When:

- Beginner class starts 2nd Tuesday in September and runs through December 31 or the 3rd Tuesday in February and runs through May 31.
 - Every Tuesday 5:45 – 6:30 pm

Where:

- Salem Square Dance Center, 3695 45th Ave NE, Salem
- Parking is limited. Please park “snugly” to the car next to you.

First Class Night:

- Please arrive 1/2 hour before class start so we have time to process everyone, answer questions, etc.

Forms:

- You must complete the enclosed “Registration Consent Release” form.
- Return, with check payable to Cherry City Cloggers (address on form).

Registration:

- Class size is limited, so paid registrations will be admitted on a first come, first serve basis.
- Returning the registration form without payment does not guarantee a spot in class.
- Registration fees are \$10 higher at the door and will be accepted, space permitting. Please pre-register.

Children/Families:

- We encourage the whole family to join. Clogging is a fun family activity that combines a love of dance with a “side order” of great exercise.
- Children 8 years and older are welcome.

What to Wear:

- Comfortable clothing
- Comfortable shoes. **No black soled shoes allowed.**

Shoes:

- **No black soled shoes allowed**
- Sneakers or some comfortable, “fairly” smooth soled shoe. A shoe with “waffle soles” will be hard to glue taps to.

- “Real” clogging shoes are not required. Save that for when you’re “hooked” on clogging
- Shoes, such as tap shoes, are not allowed if the taps are nailed unto the shoe.

Taps:

- Clogging taps will be sold at class or through pre-registration. They are \$15/pair.
- Taps are glued on. You will receive instructions at class on how to glue your taps on.
- Nailed on taps are not allowed.
- Check your taps each week to insure they do not damage the floor.

Refunds:

- Sadly, if you decide clogging is not for you, you will receive part of your registration money back.
- You must notify us within 3 weeks of your Beginner class start date. We will deduct \$5.00/class that you had attended up to that point.
- No refunds after the 3 week time period.
